

**IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF MICHIGAN**

JESSICA MONTANEZ, individually and on behalf of  
all others similarly situated,

**CLASS ACTION**

*Plaintiff,*

**Case No. 1:21-cv-00235**

**JURY TRIAL DEMANDED**

vs.

GREEN PEAK INDUSTRIES LLC d/b/a  
SKYMINT, a Michigan Limited Liability Company,

*Defendant.*

---

**AMENDED CLASS ACTION COMPLAINT**

1. Plaintiff, Jessica Montanez, brings this action against Defendant, Green Peak Industries LLC d/b/a Skymint, to secure redress for violations of the Telephone Consumer Protection Act (“TCPA”), 47 U.S.C. § 227.

**NATURE OF THE ACTION**

2. This is a putative class action pursuant to the Telephone Consumer Protection Act, 47 U.S.C. § 227 et seq., (the “TCPA”).

3. Defendant is a cannabis dispensary chain. To promote its services, Defendant engages in unsolicited marketing, harming thousands of consumers in the process.

4. Through this action, Plaintiff seeks injunctive relief to halt Defendant’s illegal conduct, which has resulted in the invasion of privacy, harassment, aggravation, and disruption of the daily life of thousands of individuals. Plaintiff also seeks statutory damages on behalf of herself and members of the class, and any other available legal or equitable remedies.

### **JURISDICTION AND VENUE**

5. Jurisdiction is proper under 28 U.S.C. § 1331 as Plaintiff alleges violations of a federal statute. Jurisdiction is also proper under 28 U.S.C. § 1332(d)(2) because Plaintiff alleges a national class, which will result in at least one class member belonging to a different state than that of Defendant. Plaintiff seeks up to \$1,500.00 (one-thousand-five-hundred dollars) in damages for each call in violation of the TCPA, which, when aggregated among a proposed class numbering in the tens of thousands, or more, exceeds the \$5,000,000.00 (five-million dollars) threshold for federal court jurisdiction under the Class Action Fairness Act (“CAFA”). Therefore, both the elements of diversity jurisdiction and CAFA jurisdiction are present.

6. Venue is proper in the United States District Court for the Western District of Michigan pursuant to 28 U.S.C. § 1391(b) and (c) because Defendant is deemed to reside in any judicial district in which it is subject to the court’s personal jurisdiction, and because Defendant provides and markets its services within this district thereby establishing sufficient contacts to subject it to personal jurisdiction. Further, Defendant’s tortious conduct against Plaintiff occurred within the State of Michigan and, on information and belief, Defendant has sent the same text messages complained of by Plaintiff to other individuals within this judicial district, such that some of Defendant’s acts in making such calls have occurred within this district, subjecting Defendant to jurisdiction in the State of Michigan.

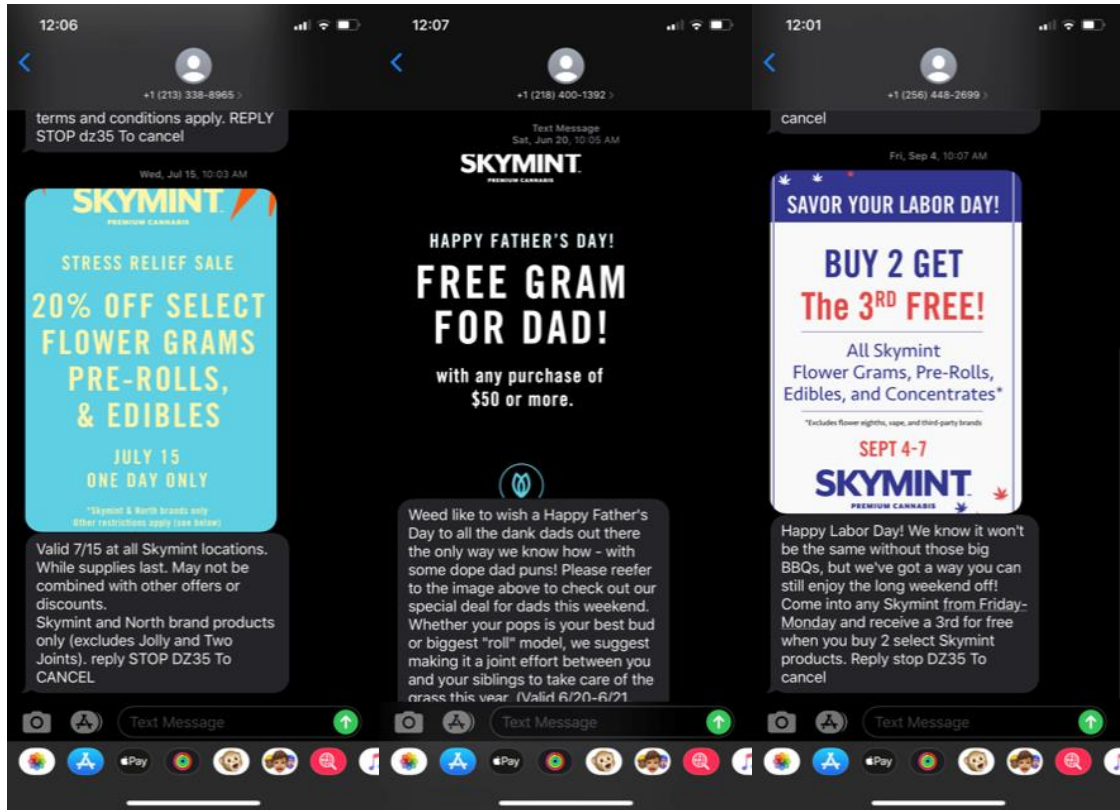

### **PARTIES**

7. Plaintiff is a natural person who, at all times relevant to this action, was a resident of Knox County, Tennessee.

8. Defendant is a Michigan limited liability company whose principal office is located at 10070 Harvest Park, Dimondale, Michigan 48825. Defendant directs, markets, and provides its business activities throughout the State of Michigan.

## FACTS

9. Over the past year, Defendant sent numerous telemarketing text messages to Plaintiff's cellular telephone number ending in 6002 (the "6002 Number") including but not limited to the following:

10. Defendant's text messages were transmitted to Plaintiff's cellular telephone, and within the time frame relevant to this action.

11. Defendant's text messages constitute telemarketing because they encouraged the future purchase or investment in property, goods, or services, i.e., selling Plaintiff cannabis products.

12. The information contained in the text message advertises Defendant's sales and promotions, which Defendant sends to promote its business.

13. Defendant sent or caused to be sent the subject texts from within this judicial district and, therefore, Defendant's violation of the TCPA occurred within this district. Upon information and

belief, Defendant caused other text messages to be sent to individuals residing within this judicial district.

14. Defendant's texts were not made for an emergency purpose or to collect on a debt pursuant to 47 U.S.C. § 227(b)(1)(B).

15. At no point in time did Plaintiff provide Defendant with her express written consent to be contacted.

16. Plaintiff is the subscriber and sole user of the 6002 Number, and is financially responsible for phone service to the 6002 Number.

17. Plaintiff has been registered with the national do-not-call registry since April 23, 2011.

18. The TCPA's implementing regulation, 47 C.F.R. § 64.1200(c), provides that "[n]o person or entity shall initiate any telephone solicitation" to "[a] residential telephone subscriber who has registered his or her telephone number on the national do-not-call registry of persons who do not wish to receive telephone solicitations that is maintained by the federal government.

19. The text messages originated from telephone numbers 256-448-2699, 213-338-8965, and 218-400-1392, all numbers which upon information and belief are owned and operated by or on behalf of Defendant.

20. Defendant's unsolicited text messages caused Plaintiff actual harm, including invasion of her privacy, aggravation, annoyance, intrusion on seclusion, trespass, and conversion. Defendant's text messages also inconvenienced Plaintiff and caused disruption to her daily life.

### **CLASS ALLEGATIONS**

#### **PROPOSED CLASS**

21. Plaintiff brings this case as a class action pursuant to Fed. R. Civ. P. 23, on behalf of herself and all others similarly situated.

22. Plaintiff brings this case on behalf of a Class defined as follows:

**Do Not Call Registry Class: All persons in the United States who from four years prior to the filing of this action (1) were sent a text message by or on behalf of Defendant; (2) more than one time within any 12-month period; (3) where the person's telephone number had been listed on the National Do Not Call Registry for at least thirty days; (4) for the purpose of selling Defendant's products and services; and (5) for whom Defendant claims (a) it did not obtain prior express written consent, or (b) it obtained prior express written consent in the same manner as Defendant claims it supposedly obtained prior express written consent to call the Plaintiff.**

23. Defendant and its employees or agents are excluded from the Class. Plaintiff does not know the number of members in the Class, but believes the Class members number in the several thousands, if not more.

**NUMEROSITY**

24. Upon information and belief, Defendant has placed automated and/or prerecorded calls to cellular telephone numbers belonging to thousands of consumers throughout the United States without their prior express consent. The members of the Class, therefore, are believed to be so numerous that joinder of all members is impracticable.

25. The exact number and identities of the Class members are unknown at this time and can only be ascertained through discovery. Identification of the Class members is a matter capable of ministerial determination from Defendant's call records.

**COMMON QUESTIONS OF LAW AND FACT**

26. There are numerous questions of law and fact common to the Class which predominate over any questions affecting only individual members of the Class. Among the questions of law and fact common to the Class are:

- (1) Whether Defendant violated 47 C.F.R. § 64.1200(c);
- (2) Whether Defendant's conduct was knowing and willful;
- (3) Whether Defendant violated the privacy rights of Plaintiff and members of the

class;

(4) Whether Defendant is liable for damages, and the amount of such damages; and

(5) Whether Defendant should be enjoined from such conduct in the future.

27. The common questions in this case are capable of having common answers. If Plaintiff's claim that Defendant routinely transmits text messages to telephone numbers assigned to cellular telephone services is accurate, Plaintiff and the Class members will have identical claims capable of being efficiently adjudicated and administered in this case.

#### **TYPICALITY**

28. Plaintiff's claims are typical of the claims of the Class members, as they are all based on the same factual and legal theories.

#### **PROTECTING THE INTERESTS OF THE CLASS MEMBERS**

29. Plaintiff is a representative who will fully and adequately assert and protect the interests of the Class, and has retained competent counsel. Accordingly, Plaintiff is an adequate representative and will fairly and adequately protect the interests of the Class.

#### **PROCEEDING VIA CLASS ACTION IS SUPERIOR AND ADVISABLE**

30. A class action is superior to all other available methods for the fair and efficient adjudication of this lawsuit, because individual litigation of the claims of all members of the Class is economically unfeasible and procedurally impracticable. While the aggregate damages sustained by the Class are in the millions of dollars, the individual damages incurred by each member of the Class resulting from Defendant's wrongful conduct are too small to warrant the expense of individual lawsuits. The likelihood of individual Class members prosecuting their own separate claims is remote, and, even if every member of the Class could afford individual litigation, the court system would be unduly burdened by individual litigation of such cases.

31. The prosecution of separate actions by members of the Class would create a risk of establishing inconsistent rulings and/or incompatible standards of conduct for Defendant. For example,

one court might enjoin Defendant from performing the challenged acts, whereas another may not. Additionally, individual actions may be dispositive of the interests of the Class, although certain class members are not parties to such actions.

**COUNT I**  
**Violation of the TCPA, 47 U.S.C. § 227**  
**(On Behalf of Plaintiff and the Do Not Call Registry Class)**

32. Plaintiff repeats and realleges the paragraphs 1 through 31 of this Complaint and incorporates them by reference herein.

33. The TCPA's implementing regulation, 47 C.F.R. § 64.1200(c), provides that "[n]o person or entity shall initiate any telephone solicitation" to "[a] residential telephone subscriber who has registered his or her telephone number on the national do-not-call registry of persons who do not wish to receive telephone solicitations that is maintained by the federal government."

34. 47 C.F.R. § 64.1200(e), provides that § 64.1200(c) and (d) "are applicable to any person or entity making telephone solicitations or telemarketing calls to wireless telephone numbers."<sup>1</sup>

35. 47 C.F.R. § 64.1200(d) further provides that "[n]o person or entity shall initiate any call for telemarketing purposes to a residential telephone subscriber unless such person or entity has instituted procedures for maintaining a list of persons who request not to receive telemarketing calls made by or on behalf of that person or entity."

36. Any "person who has received more than one telephone call within any 12-month period by or on behalf of the same entity in violation of the regulations prescribed under this subsection may" may bring a private action based on a violation of said regulations, which were promulgated to protect telephone subscribers' privacy rights to avoid receiving telephone solicitations to which they object. 47 U.S.C. § 227(c).

---

<sup>1</sup> *Rules and Regulations Implementing the Telephone Consumer Protection Act of 1991*, CG Docket No. 02-278, Report and Order, 18 FCC Rcd 14014 (2003) Available at [https://apps.fcc.gov/edocs\\_public/attachmatch/FCC-03-153A1.pdf](https://apps.fcc.gov/edocs_public/attachmatch/FCC-03-153A1.pdf)

37. Defendant violated 47 C.F.R. § 64.1200(c) by initiating, or causing to be initiated, telephone solicitations to telephone subscribers such as Plaintiff and the Do Not Call Registry Class members who registered their respective telephone numbers on the National Do Not Call Registry, a listing of persons who do not wish to receive telephone solicitations that is maintained by the federal government.

38. Defendant violated 47 U.S.C. § 227(c)(5) because Plaintiff and the Do Not Call Registry Class received more than one telephone call in a 12-month period made by or on behalf of Defendant in violation of 47 C.F.R. § 64.1200, as described above. As a result of Defendant's conduct as alleged herein, Plaintiff and the Do Not Call Registry Class suffered actual damages and, under section 47 U.S.C. § 227(c), are entitled, *inter alia*, to receive up to \$500 in damages for such violations of 47 C.F.R. § 64.1200.

39. To the extent Defendant's misconduct is determined to be willful and knowing, the Court should, pursuant to 47 U.S.C. § 227(c)(5), treble the amount of statutory damages recoverable by the members of the Do Not Call Registry Class.

#### **PRAYER FOR RELIEF**

**WHEREFORE**, Plaintiff, individually and on behalf of the Class, prays for the following relief:

- a) An order certifying this case as a class action on behalf of the Class as defined above, and appointing Plaintiff as the representative of the Class and counsel as Class Counsel;
- b) An award of actual and statutory damages for Plaintiff and each member of the Class;
- c) An order declaring that Defendant's actions, as set out above, violate the TCPA;
- d) An injunction requiring Defendant to cease all unsolicited text messaging activity, and to otherwise protect the interests of the Class;
- e) Such further and other relief as the Court deems necessary.

**JURY DEMAND**

Plaintiff and Class Members hereby demand a trial by jury.

**DOCUMENT PRESERVATION DEMAND**

Plaintiff demands that Defendant take affirmative steps to preserve all records, lists, electronic databases or other itemizations associated with the allegations herein, including all records, lists, electronic databases or other itemizations in the possession of any vendors, individuals, and/or companies contracted, hired, or directed by Defendant to assist in sending the alleged communications.
